Gap of Dunloe Day Tour

Discover Killarney at its mystical best. Travel in a modern coach to Kate Kearneys. From here if you're feeling energetic, you can walk the 11km (7miles) journey to the shore of the Upper Lake at Gearhameen. If leisure is your desire, then relax in a pony and trap or horseback ride and enjoy the magnificent view in route.

Enjoy a picnic or lunch amidst the finest scenery in the world. Snacks are also available at Lord Brandon's Cottage. After the Gap, boats wait to steer you through the Long-Range to the famous Meeting of the Waters; here you shoot the rapids and go through Lough Leane to Ross Castle. From here your transport awaits to take you back to Killarney.

This is a truly memorable day-trip and is highly recommended
